2022 Ohio County CHNA Survey

Introduction

Thank you for taking the time to complete this survey! A Community Health Needs Assessment (CHNA) will help the healthcare community of Ohio County determine the health needs of your community.

This survey will ask you to do the following:

- Provide your opinion of the last CHNA performed in 2019
- Rank the health needs of your community
- Describe the impact of COVID-19 on your community

Your responses to this survey will help the leaders in the Ohio County healthcare community make decisions to improve the lives of the community.

You can take this survey from anywhere using your smart phone. Just scan this QR Code:

Ranking the Health Needs of the Community

The health needs of the community can be broken into three categories:

- Health factors – diseases, health conditions, and the physical health of the population
- Community Factors – community conditions that might impact health status
- Individual factors - individual choices or circumstances that affect health outcomes

Each category is broken into factors below. Please rate the importance of addressing each factor in your community on a scale of 1 to 5.

7. Please rate the importance of addressing each health factor on a scale of 1 (Not at all) to 5 (Extremely)

	1 (Not at all)	2	3	4	5 (Extremely)
Alzheimer's and Dementia	( )	( )	( )	( )	( )
Cancer	( )	( )	( )	( )	( )
Dental	( )	( )	( )	( )	( )
Diabetes	( )	( )	( )	( )	( )
Drug/Substance Abuse	( )	( )	( )	( )	( )
Heart Disease	( )	( )	( )	( )	( )
Kidney Disease	( )	( )	( )	( )	( )
Liver Disease	( )	( )	( )	( )	( )
Lung Disease	( )	( )	( )	( )	( )
Mental Health	( )	( )	( )	( )	( )
Obesity	( )	( )	( )	( )	( )
Stroke	( )	( )	( )	( )	( )
Women's Health	( )	( )	( )	( )	( )

Other (please specify): _____
